

FIELD THEORIES COME TO LIFE

Workshop on Non-Equilibrium Physics
Applied to Active Matter and Biology

Confirmed speakers

- Michael Cates (University of Cambridge)
- Erwin Frey (Ludwig-Maximilians-Universität München)
- Nathan Goehring (The Francis Crick Institute)
- Guillaume Salbreux (The Francis Crick Institute)
- Kay Jörg Wiese (École Normale Supérieure)
- Frédéric van Wijland (Université Paris Diderot)

Register until 1 April at

<https://ftlworkshop2018.github.io/>

Poster presentations for selected participants.

Organisers

Johannes Pausch, Dept. Maths.

Ignacio Bordeu, Dept. Maths.

Chiu Fan Lee, Dept. Bioeng.

Gunnar Pruessner, Dept. Maths.

Sponsors

Quantitative Science Research Institute

EPSRC NetworkPlus on Emergence and Physics Far From Equilibrium.

Imperial SIAM student chapter
